SEVEN SAINTS

Crochet Lights

Handmade in Marrakech

Paying homage to the revered Seven Saints of Marrakech, whose tombs in the Medina have long been destinations of religious pilgrimage, this collection of exotic statements pendants includes seven unique and complementary models.

Each pendant is hand crocheted by female artisans in a small village community near Marrakech. By partnering with these women we keep their traditional skills alive and create a brighter future for them and their families.

Make a Statement

With seven unique models and 16 colours (solid or two-colour formats) to work with, the Seven Saints collection offers endless possibilities for residential or commercial spaces. Use any model as a feature in any room or mix different models and colours in a group or cluster to create a dramatic one-of-a-kind interior installation.
